

## BettesMakes and Copious Crafts Weekly Newsletter December 21

*Wishing You and Yours a Very Happy Holiday!*

### Holiday Dates:

December 21st is the shortest day in the Northern Hemisphere and the longest day in the Southern Hemisphere - Happy Winter Solstice

December 26th is Boxing Day in Canada and the UK - that extra day where we box up the left-over turkey dinner and share it with those less fortunate. It is a wonderful tradition! It is also a day of mega sales in many stores.

If you are still working on those last minute crafts, , the deals are getting better - take a quick look for those special craft supplies!

I usually shop at both these locations when there are great sales. Now is the time! I even buy birthday presents ahead of the curve because of all the deals.

Design Bundles has more to offer as well - their sales pricing is amazing to say the least. Click on this banner to see if they have more sales this weekend.
