

BettesMakes Weekly Newsletter March 14

This weeks FREEBIE is Text and Frame Fun! This downloadable will let you make more than just a card or two. Check it out - see the bottom of this newsletter!

Has the Corona Virus impacted you?

As I write this, many people are panic stricken over the possibility they will be quarantined at home for 2 weeks. There has been a big run on toilet paper and hand sanitizer. I am not sure if toilet paper would be the thing I would hoard, but it does seem reasonable to have enough on hand! I have my stash of canned tuna, salmon, and pasta sauce along with a freezer that is well stocked. I also have a nice stock of crafting supplies. What have you stocked just in case you end up with 2 weeks of home stay?

This Week's Blog Article - [14 Crafts to Make While Quarantined](#)

I am sure you will go stir crazy without some crafting projects to look forward to in the next 2 weeks. These projects are meant to use up supplies you are likely to already have on hand. Just think about the positive side of being stuck at home. You get to craft each and every day! I know you likely don't get as much crafting time as you would like, so now is the chance.

BTW - if you missed any of these newsletters, the archives are in the [resource library](#) - at the end of the list of files.

My Color Palette For This Week

This gorgeous mountain top photo was taken by Carina Grace of [Knit Indulgence](#). She had taken a flight home and was able to capture this amazing shot. She also mentioned she watched an avalanche working its way down the side of the mountain and was in awe by the way the trees bent then succumbed to the blanket of snow.

Make that Stepper Box

If you have not already done so, it is time to make that stepper gift box and fill it full of treats. You can make these for St. Patrick's Day and add you favorite color of green.
