### ***Card Making Mania!***

This week has been all about designing and making cards. The designs look simple and that was the goal. The changes in Design Space and the assembly took a bit of time but oh was it ever worth it! I am so happy with the four cards I came up with. These cards are for birthdays but can be used for any occasion. I will be making videos to add to the blog article tutorials. In the meantime, there are plenty of card making blog articles on <https://bettesmakes.com> to keep you busy for weeks!

Here is a sampling of what I have been working on: Which one is your favorite? Vote in our facebook group: <https://Facebook.com/groups/BettesMakes>

## This Week's Blog Article - [How to Make a Dinner Treat Box \(Easy Beginners Project\)](#)

I chose this project because I have a few friends that need to get started using their Cricut and this treat box was the best way to get to know how to set score lines and attach them to a project. The video with this tutorial is under 8 minutes and a lot of fun to create.

BTW - if you missed any of these newsletters, the archives are in the [resource library](#) - at the end of the list of files.

## My Color Palette For This Week - Sweet Orange

Have you ever walked by flowers you admire and wonder what they are called? I do it all the time. This week I took a photo of the flower and really don't know what it is. Others I have asked give me varying opinions. So if you know, please reply to the newsletter and let me know!

## Video of the Week - [How to Make a Simple Paper House](#)

I made these paper houses months ago. They were so much fun to make! I see in the video that my office was not as organized as it is today. I do hope you get a chance to make one of these houses.
