[FIRST NAME GOES HERE]

Each week, you will receive my newsletter which has a project or two you can make plus a FREE downloadable you will find in the resource library. This week I have Love Notes Pages in PNG format so you can use them in Cricut Design Space. Scroll down to the bottom of the newsletter to get your file.

BTW, if you did not already know - I do use affiliate links in my newsletter but you will not pay anything extra for any of the products I recommend. I do not recommend items that I have not used myself!

Thank You!

I just want to thank everyone who attended my webinar on Thursday. It was a good training session and although we had some sound issues, I hope everyone got enough out of the time they spent with me. I am looking forward to more live sessions in the future.

Class registration is now closed for this Quarter and it is pretty full! I will open the doors again in a few months.

In the meantime, you can still get my Toolkit which gives you a super beginning on your Cricut Crafting journey. <https://bettesmakes.com/Ultimate-cricut-toolkit-s>

What is happening this week?

I have another series of exciting items ahead as we are making all of our blog posts printable! This means you can select "Print This Article" to get the full post as a download! I

printable! This means you can select **Print this Article** to get the full post as a download. I know this is a great way to help a lot of people do their makes without having to go online and search around for something they want to make. *It will be a slow process getting over 200 articles in the right format!* We are starting with the newest articles first, so be sure to check it out We are starting with all the Valentine's Day articles. I am sure this is something you might enjoy!

My Make of the Week

More Valentines! These are Cake Toppers and so easy to make. I ended up making more than the cakes I had so made a display using a cookie. The best part of these toppers is that you can use up a lot of your scrap paper and add your own sayings. I made the SVG file templates so you can have lots of choices for making your own. Check out my channel <https://YouTube.com/c/BettesMakes>. I added the files to the [resource library](#) (Asset #310)

My January Videos

As you have already read, this year I managed to make over 40 new designs and give away more than 50 freebies! I want to improve on that and make a resolution to provide a new make each week (that would be 52 this year) plus a freebie each week. I still want to continue to make a new video each week as well with either a project or a super tip on how to use your Cricut or Design Space. Now that I have made this promise - it is time to start delivering on it right now.

Here is what is planned for this month:

Jan 2 - [Valentine S-Fold Card](#) - the video will be ready on January 6th - it was actually posted on the 2nd!

Jan 9 - [Valentine's Banner](#) (vinyl project) - the video will be live today

Jan 16 - [Tea Towel Designs](#) (Iron-On)

Jan 23 - [Cake Toppers](#)

Jan 23 - [Cake Toppers](#)

Jan 30 - Decals for Mugs

Is there something else you want to see on this list? Just reply to this newsletter and make your suggestion.

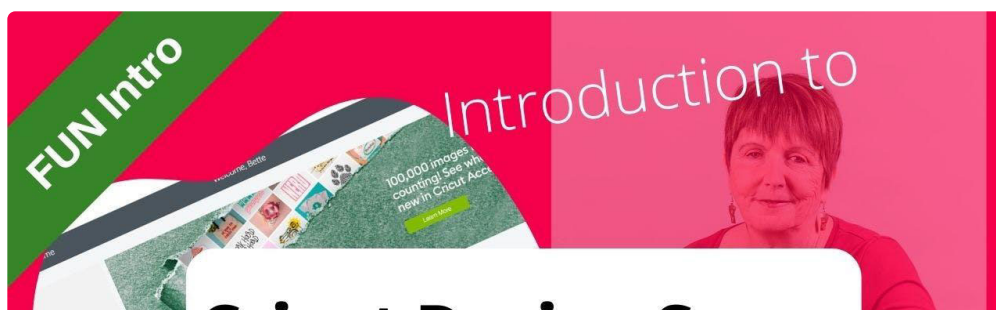

Cricut Access

I know some of you are **on a budget** and thinking about paying monthly for a program is not high on your list. I just want to encourage you to take advantage of this program as you get a ton of fonts and designs you would otherwise have to pay for when you want to use them. There are so many adorable elements as part of this program and I found that I was spending more on buying the fonts when I wanted to use them than I would have paid for the monthly program. Cricut has some incredible deals going on right now and [Cricut Access Premium](#) is part of their program - if you are hesitating about joining, don't, start with the free trial to see if you like it. ***You can never have enough fonts, images, and projects to use.***
